

# Sta-Kon®

## Application Tools

WT1377

### Installs NW Series Heater Wire Terminals

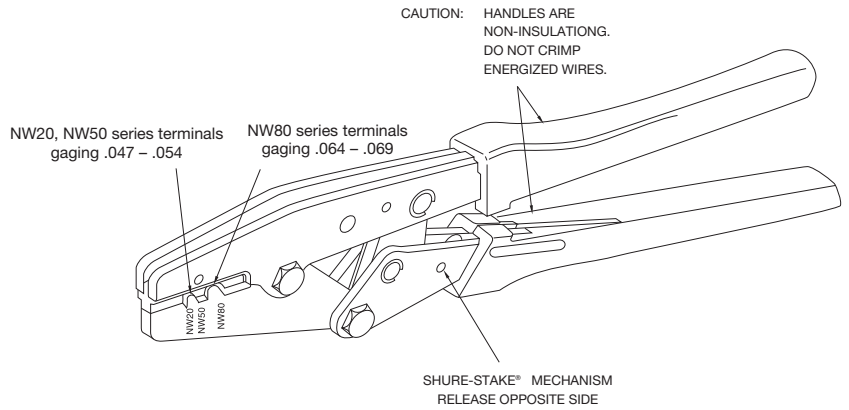

Correct compression every time—the Shure-Stake® mechanism principle prevents opening of the handles until full staking action is completed. Installs self-insulated and non-insulated Sta-Kon® terminal series in the #26-10 AWG wire range.

## Ratchet Hand Tools

Cat. No.	Description	Std. Pkg.
WT1377	NW Ring Terminals	1
