

## POPULATING THE STRUCTURED MEDIA ENCLOSURE

The Nerve Center of the Connected Home

For every residence — single-family home, high-rise, or hotel — Leviton offers an unparalleled selection of structured wiring solutions for networking, audio, video, and more. And we offer the ideal central distribution point to manage them all.

Populating the Structured Media Encl.

MDU & HOSPITALITY

## THE CONNECTED HOME

Get enterprise-grade, best-in-class broadband network performance capability with Leviton Structured Media components. These solutions are engineered to be an integrated system, providing an organized base and simplifying installation from rough-in through line activation. For enclosure configuration assistance, go to [Leviton.com/homeconfig](https://leviton.com/homeconfig).

1	<b>Structured Media Enclosures</b>	These versatile enclosures allow you to manage and distribute a full range of voice, data networking, audio, and video wiring from one central location. We have enclosure solutions for every construction type: wood, steel frame, concrete, and cinder block construction, and an RF Transparent Enclosure for expanding the reach of a wireless network.
2	<b>Data Patching and Distribution</b>	Leviton offers durable Cat 6 and 5e panels and modules for data cable distribution. The high-end Twist & Mount Panel makes installation simple and provides easy access for moves, additions, or changes in the home network.
3	<b>Telephone Patching and Distribution</b>	Choose from a wide selection of telephone distribution boards, modules, or panels for telephone and security systems. Our Telephone Input Distribution Panel (TIDP) supports inputs for use with “triple-play” modems and complements the look and simplicity of our Twist & Mount Patch Panels.
4	<b>Premium and Passive CATV Splitters</b>	Distribute the incoming RF signal to locations throughout a home via coaxial cable using Leviton passive CATV splitters, or use Premium splitters to optimize the performance of digital cable signals to handle HDTV.
5	<b>Wireless Routers and Switches</b>	Leviton offers a complete Gigabit solution with high-speed routers and switches. Create a Local Area Network (LAN) in the home or office to network PCs, printers, and other connected devices. Integrate with the Leviton Wireless Router for maximum speeds on wired and portable devices.
6	<b>Ultra High-Flex Patch Cords</b>	Ultra High-Flex Patch Cords allow for tighter radius connections and a cleaner finished appearance inside a dressed Structured Media Enclosure.
7	<b>ISP Modem (provided by service provider)</b>	The modem converts DSL, cable, or fiber optic signals for Internet access for triple-play service or pure data connections.
8	<b>Integrated Power Supply</b>	Structured cabling systems rely on active gear that requires low-voltage power and surge protection. Leviton offers power supplies with extra plugs that eliminate the need for bulky power adapters within enclosures.

# MDU & HOSPITALITY | Mounting Brackets & Patch Cords

MOUNTING BRACKETS	
DESCRIPTION	PART NO.
<b>[A]</b> Single Plastic Bracket, for single expansion board, white	47612-SBK
<b>[B]</b> Standard (12" width) Expansion Plastic Bracket, for up to five expansion boards, white	47612-EBK
Shelf Plastic Bracket, for up to three expansion boards and CATV splitter, white	47612-VSB
<b>[C]</b> Compact (6" width) Expansion Plastic Bracket, for up to three expansion boards, white	47612-HBK
<b>[D]</b> Data Plastic Bracket, for mounting routers and switches	47612-DBK
<b>[E]</b> 12-Port QuickPort® Mounting Bracket	47600-QPB

HOME 5E® PATCH CORDS	
DESCRIPTION	PART NO.
<b>[F]</b> High-Flex HOME 5e Patch Cord	5HHOM-xx*

xx = Length: 6" (6I), 1' (01), 2' (02), 3' (03), or 4' (04)  
 \* = Colors: Choose from either of the colors below.

MULTIMEDIA ADAPTER BRACKET & MOUNTING PLATES	
DESCRIPTION	PART NO.
<b>[G]</b> Multimedia Adapter Bracket	47612-MMA
<b>[H]</b> F-Connector Mounting Plate, 6-pack, loaded	5F100-6VF
<b>[I]</b> QuickPort Mounting Plate, 6-pack, unloaded	5F100-6QP

## MOUNTING BRACKETS

- Made of sturdy white ABS plastic
- Include push-lock pins
- Snap-in installation in any Leviton 14"-, 21"-, 28"-, or 42"-Structured Media® Enclosure
- Allow for cable management via routing under bracket
- Twelve-port bracket made of black polycarbonate
- Twelve-port bracket accepts all QuickPort® connectors

## HOME 5E PATCH CORDS

- Low-profile High-Flex Patch Cords allow tighter radius connections
- Available in five lengths and two colors

## MULTIMEDIA ADAPTER BRACKET & MOUNTING PLATES

- Bracket is constructed of white powder-coated steel
- Plates are constructed of black powder-coated steel
- Bracket includes push-lock pins for mounting in Structured Media Enclosures
