

## Armoured Cable and Flexible Metal Conduit Fittings

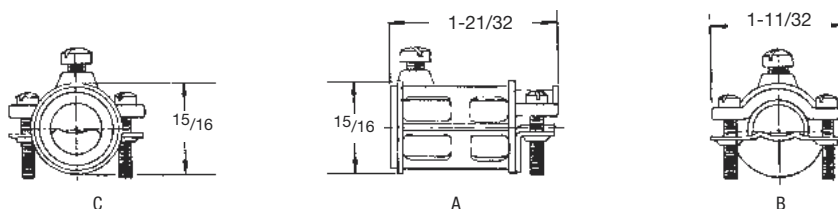

### Combination Coupling

A one piece fitting that couples 3/8 in. flexible metal conduit to 1/2 in. electrical metallic tubing (EMT)

Cat. No.	Size Flex to EMT (in.)	Dimensions (in.)		
		A	B	C
449C	3/8 - 1/2	1-21/32	1-11/32	15/16

Cable opening: max. .656, min. .250

### Anti-Short Bushing

Anti-short bushings are made of smooth plastic, and designed to protect conductor insulation from rough edges of armoured cable and flexible metal conduit

Cat. No.	Size
390	14-2, 14-3, 12-2
391	14-4, 12-3, 6-1, and 4-1
392	12-4, 10-2, 10-3 and 2-1
393	10-4, 8-2, 8-3, and 1-1
394	8-4, 6-2, 6-3, 4-2, 4-3, and 6-4

Colourized  
Temperature Rating: 240°F  
UL not applicable

### Strap
